Dear Dr Lin,

Management of AsiaCenter would like to take the opportunity to express its deep thanks to you for attending on the Theme Days of Opening Ceremony of CBTC (China Brand Trade Center) 1 July 2011. It was a special honour that you accepted our invitation and you contributed to the extension of the knowledge of the participants and to the strengthening of the Chinese-Hungarian trade relations with your presentation at the ceremony.

We hope that we can meet you on the future AsiaCenter and CBTC events and meetings, and you will readily hold presentations in the future at us.

We are looking forward to cooperate with you in the future.

Yours sincerely,
